## THE MAN WHO ABOLISHES MUSTARD PLASTER

ASK WELLS & HAYMAKERS.

The man who put mustard plasters out of business had to invent something better, for mustard plasters have been used for aches, pains and other afflictions for scores of years, and have given relief to millions.

But when J. A. Begy, the well-known chemist, of Rochester, N. Y., compounded, after years of experiment, a preparation which he named Begy's Mustarine, he gave to the world something so much quicker in action than mustard plasters, that medical authorities recognized its supremacy at once. Begy's Mustarine is now on sale in Clarksburg by Wells & Haymaker, who guarantees it to stop earache, toothache and headache.

Just rub it on. It is always ready, and nothing is better for neuralgia, cold in chest, pleurisy, bronchitis, lumbago, sore throat, stiffness and lameness. Is clean to use, and will not blister. 25 cents a box (equal to forty mustard plasters) and money back if not satisfied. Mail orders filled by J. A. Begy Co., Rochester, N. Y. (6)

## PIMPLY? WELL DON'T BE!

People Notice It. Drive Them Off with Olive Tablets.

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The pimples will vanish after you have taken the tablets a few nights.

Nothing ever cleansed the blood, the bowels and the liver like Olive Tablets.

Olive Tablets are the only successful substitute for calomel; there's never any sickness or pain after taking them.

Olive Tablets do all that calomel does and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, torpid liver, bad disposition or pimply face.

Olive Tablets are made of pure vegetable compounds mixed with oliveoil.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Try them. Take one nightly for a week. Then look at yourself in the glass and see how you feel.

"Every little Olive Tablet has a movement all its own."

10c and 25c per box.

The Olive Tablet Company, Columbus, Ohio, Dr. F. M. Edwards, President.

## S.S.S. CURES CHRONIC ULCERS

Any chronic ulcer shows an unhealthy and impure condition of the blood. It is a diseased condition of the flesh at that particular spot, caused and kept inflamed and irritated by a continual discharge into it, of unhealthy matter from the circulation. No treatment can have any curative effect except a medicine which will renovate the blood and entirely remove the cause. Salves, washes, lotions, etc., are sometimes helpful in reducing inflammation, cleansing the ulcer, or perhaps lessening the discharge, but such applications do not reach the blood where the disease germs are located, and can never effect a cure. S. S. S. goes down into the circulation, drives out all impurities and morbid matter, and by nourishing the flesh with rich pure blood causes the place to heal naturally and permanently. S. S. S. does not make a surface cure, but by beginning at the bottom, and rebuilding broken-down tissue, and supplying healthful, healing qualities to the blood, causes the place to fill in with new, firm flesh, while it steadily but surely effects a permanent cure. The ulcer can not exist when the blood is pure, and S. S. S. will thoroughly purify the blood. Book on Sores and Ulcers and any medical advice free to all who write.
